and

## Elmhurst Children's Assistance Foundation (ECAF)

**Enjoy a night out and help your organization!**

In an effort to help give back to the surrounding communities, Francesca's Amici will sponsor and host charity events on Wednesday evenings.

Non-profit organizations looking to raise funds can organize and promote their groups to dine at Francesca's Amici and **15%** of their dinner bill will be donated to their organization.

This is a fantastic program where people can have a **great time**, enjoy **great food** and raise funds for a **great cause!**

**The Elmhurst Children's Assistance Foundation** has chosen **Wednesday, December 9, 2009**. You may join us for lunch, dinner or carry-outs, but please remember to bring this "flyer" to assure that the donation will go to your organization. Also, reservations are highly recommended and feel free to mention the "Eat and Earn" event.
